#### **Directions to UK Office**

From M8 or M74 – Exit at the junction with the A725 East Kilbride.

Follow the A725 until shortly before entering East Kilbride where the road splits. Continue on the A725 which is the left fork. The third roundabout is called Birnie Hill Roundabout and is where the A725 meets with the A726. Go straight on at this roundabout into the Technology Park.

Meetings are normally held in the James Watt Building which is the first on the left. For the Whitworth Building, turn hard right at the James Watt Building. The Whitworth is the second building on the left.
